September Students Speak; Receive Plaques

Jon Zagel

September's students of the month, Kacie Hargett and Jordan Ostrum, each spoke at last week's meeting and received their plaques from

president Bernice Barnett. They were introduced by NHS principal Jon Zagel.

The students told us about their school activities and their plans for continuing their education and what they plan to do in their future careers.

Each school year we invite two students to join us for our lunches each month.

October Students of the Month Named

Our October students of the month are Morgan Annable, daughter of Linda Annable and Jody Stecher of Seal Rock, and Aaron Williams, son of Lorie Williams of Newport.

Each has a 4.0 GPA.

Morgan's courses are in IB biology, SR English, Spanish, history of America, strength training, calculus and physiology.

She is active in track & field and cross country and has received awards in English, and pole vaulting and is a national honor merit semi-finalist. She volunteers as a track coach, in Interact, works beach clean-ups and is Honor Society President.

Morgan plans to attend the University of Puget Sound or Cornell, become a firefighter; eventually an English teacher.

Aaron studies IB biology, English, math, Spanish, 20th Century world and is in Jazz Band and Concert Band. He has received awards for his music accomplishments and participates in snowboarding and racquetball. Hobbies are music, snowboarding and racquetball.

He volunteers in the Lincoln Pops band, peer tutoring, helping at concert events and free productions in the summer.

Aaron hopes to eventually become a doctor.
