Attendance Report

There were 24 members absent last week and eight make-ups reported.

Randy Getman made up at Lincoln City and the following members each brought guests: Marcia Buckley, Megan Schain, Bob Wienert, Jean Hamilton and Howard Adams brought three.

Regular attendance or making up missing meetings is a requirement of Rotary membership.

Online make-ups are easy; just visit one of these websites:

Incentive Drawings

Dale Smith won the \$5 membership incentive drawing last week, so this week's "pot" will once again be worth \$5.

The "50-50" drawing last week, now up to \$431, could have been won by Mike Henneman, but he didn't draw the elusive Ace of Spades.

Recap: opening amount last week: \$323; amount added by that week's ticket sales: \$48; Today's opening amount (before ticket sales) — \$431...but you can't win unless you buy a ticket!

January Students of the Month Announced

Our January students of the month will join us today.

They are Sophia Solano, daughter of José and Bernadette Solano and Nathan Bearden, son of Michael and Tracy Bearden, all are from Newport.

Sophia

Sophia has a GPA of 3.94 and takes IB courses in biology, history of the Americas, English, Spanish, Environmental Systems & Societies, and Jazz Band.

She is a National Hispanic Recognition Program scholar, national merit scholar, IOOF scholarship recipient and a UN Pilgrimage delegate.

Sophia volunteers for PAADA, CAP productions and is Honor Society co-president. She enjoys art & music, public speaking and piano.

She plans to attend a 4-year private university and eventually go to med school or law school.

Nathan's GPA is also 3.94 and he takes IB courses in biology, math, 20th century history, Spanish and English. He is on the honor roll, was named most outstanding student in health and OSAA all-conference award in leadership.

Nathan

He runs cross-country, plays basketball and baseball and enjoys playing music, sports, running, fishing and hunting.

Nathan volunteers for Honor Society, beach cleanups, LINK crew, his church yard work/brush cleanup, read & feed and the baseball pancake feed.

He plans to attend OSU and study biology and pursue a career in neurology.
