Attendance Report

23 of our members were absent last week and 24 make-ups were reported.

17 of our members worked on the District Youth Exchange weekend; Doug Hunt made up at Lincoln City (twice); the following members brought guests to last week's meeting: Dustin Capri, Freddy Saxton, Megan Schain, Bernice Barnett and Jean Hamilton.

Regular attendance or making up missing meetings is a requirement of Rotary membership.

Incentive Drawings

Doug Hunt won the \$5 membership incentive drawing last week — so the “pot” this week will revert to the usual \$5.

The “50-50” drawing last week, which was worth \$986, could have been won by Sunnetta Capovilla, but she drew the two of Spades.

Recap: opening amount last week: \$927; amount added by the week's ticket sales: \$59. Today's opening amount (before ticket sales) will be \$986.

Good Luck!

Membership Development: A Fresh Perspective Presented

Member Jean Hamilton introduced Bill Grile as our speaker at last week's meeting.

Bill is the Assistant Governor for the area just south of ours, the Central Coast. His presentation was about the procedures to increase membership in any organization but specifically in a Rotary club.

members to the club.

2. Assimilation – Integrating new members into the club, and providing the opportunity for them to identify their Rotary passion and become involved with it.

3. Engagement – providing the opportunity for all club members to stay engaged in the activities, projects, and fellowship of the club; the keystone of each

He told us that in order for a club to grow, it needs to use the “Best Practices”, as described on the district website.

There are three aspects of a balanced Club Membership Program.

They are:

1. Attraction – Being visible in the community, having a welcoming atmosphere, and attracting new

club's Membership Retention.

These are “Best Practices” from around our District and the Rotary World.

Our club will be working to adopt these practices, with the goal of attracting, assimilating, and engaging our members in order to make our club the vibrant, growing Rotary club our community deserves.

— The 4-Way Test —

of the things we think, say and do

1. *Is it the Truth?*
2. *Will it be Fair to All Concerned?*
3. *Will it Build Good Will and Better Friendships?*
4. *Will it be Beneficial to All Concerned?*

Students to Speak

Our March students of the month, Cara Knott and Tyler Dordan will both give their “Five-Minute” talks at today's meeting.

The talks are delayed by a week due to the Spring Break in the schools last week.

Words of Wisdom

“We are what we repeatedly do.

Excellence then, is not an act, but a habit.”

“Rotary Parks” Need A Little Help

As you know (or should know), our club has had an ongoing presence in Newport, especially when it comes to parks.

We were instrumental in building Sister City Park (on Neff Way, west of 101) and, most recently we refurbished that park. We also designed and built Literacy Park, just west of the library.

Now it's time for the annual “Park Clean-Up” at both parks.

A date and time will be announced and a sign-up sheet will be circulated...watch for it!
