NEW MEETING LOCATION

Recall that effective Thursday, June 11th, the meetings will be held at Shilo Inn at 536 SW Elizabeth St., Newport, Oregon until further notice.

Thanks goes to Megan Schain-Park for her hard work in quickly finding us a new home with the extremely short notice given to us from our prior location.

The change seemed to be a refreshing and satisfying to many in attendance last week.

What's "On the Horizon" at OCCC?

OCCC President Birgitte Ryslinge presented us with an update of new programs coming available at the community college to hopefully better serve the community and draw more students to the area. She shared that she has been in Lincoln County about a year and she is loving it. She particularly appreciates the great support and partners in the community. Statistics show that 48% of Lincoln County's graduates are going on to college. OCCC is one of two of the smallest community colleges in Oregon, the other being in Tillamook. She says there is still a lot of work to be done and there the Board is narrowing in on major goals without making the mistake of taking on too much at one time. Her main goal is to get OCCC independently accredited. They are currently operating under Portland Community College's accreditation. The process is a thorough process which takes about 7 years to achieve. President Ryslinge reported the first step will begin in October. She is excited about the new offerings the college has coming up. She added that there are many community education classes available in various topics and she is hopeful we will all get an opportunity to further explore what OCCC has to offer us all.

Annual Banquet

Friday, June 25th at the Oregon Coast Aquarium - 6:30 P.M.

At last count, we have only received 40 RSVP's to the Annual Banquet on June 25th. Please email Julie Hanrahan or sign up at this week's meeting, if you plan to attend. We need to give a head count to The Aquarium very soon. Contact Julie or Megan with any questions.

Foster Parent Appreciation Picnic

Gae Linfoot is spearheading a community service project aimed to help Department of Human Services with their annual Foster Parent Appreciation Picnic which has been cut from their budget. They are now completely dependent on contributions.

The picnic will, of course, include the Foster Children, and take place on Saturday, July 18th from 11am to 2pm. They will be serving approximately 100 people. It will take place at a farm in Siletz (donated by one of the Foster parents). In addition to the barbeque, those attending will get tours of a fire truck and police car on hand, go on a hay ride, play various games, and enjoy some animals.

What they need are people to help set up and take down everything, help the children with the games (they are open to game suggestions), barbecuing the hot dogs and hamburgers, running the snow cone machine and other activities.

Items they would like to borrow are tables and chairs, large barbecue (preferably a commercial style). If they are unable to get that then they may have to settle for several standard barbecues. Julie shared that we have used a large commercial barbecue at our annual picnics, if anyone can remember who provided that, please let Gae know. They do need the items to be delivered and picked up. (Julie adds "We do still have our Rotary BBQ that is stored at The Port, but the problem is it cannot be moved without a flat bed trailer because it needs a wheel bearing. If someone is willing to fix it or provide a flat bed let Julie know asap").

David Bigelow has graciously begun the contributions by offering to supply all the hamburgers, hot dogs, and buns! Many thanks to David for such a generous offer, DHS is thrilled with this contribution and would appreciate any help we are willing to give.

Please contact Gae Linfoot by email at seasunandsand12@gmail.com or call her at 541-557-1735 to let her know if there are any items you could offer or can volunteer any of your time on the day of the picnic.
