President Ted Smith takes the Helm at the July 2nd meeting

A new year has begun. Please contact a Club Officer or Club Director today to see how you can get involved in an upcoming project and share your ideas!

Rob Thompson gets with the program

Program Chair Rob Thompson was the actual program on July 2nd where he spoke to the membership about the schedule he has putting together for the new year. Focusing on some of the top reasons we are Rotarians, such as networking and fellowship, we will be introduced to a member spotlight in the upcoming months where members will be asked to present information about themselves and their business interests. Following the standard rules of no politics or religious promotions and prohibiting the requests for money or funding, the member will be given a questionnaire to assist in their spotlight presentation. Katrina Stevens will be leading the way with the first spotlight presentation on Thursday, July 9th.

Rob also solicited suggestions from the membership about other programs and speakers that they would like to see and hear from. In addition, he requested that anybody with ideas and suggested programs contact him.
