The Newport Booster Club

On October 29th, Rob Thompson presented information about The Newport Boosters Club. Established in 1960, their mission is to promote and facilitate the character and skill development of youth through the support of sports and other extra-curricular activities. To support their mission, they raise funds through a number of successful, traditional events that are conducted throughout the year, such as the Newport Marathon, the Booster Bash Golf Tournament, Spring Auction and Garage Sale, and many more. Their contributions can be seen throughout the Newport community and beyond. Recent projects include the JV softball turf field at Yaquina View, the stadium seating at both the varsity baseball and softball fields, storage facilities at the high school football field, installation of netting at the Middle School soccer field just to name a few. Their contributions reach the classrooms too. At their most recent banquet, they raised funds which provided 61 Chromebooks and charging carts to the classrooms at the Newport Middle School. The Boosters meet every Friday at 7:00 a.m. at the Newport Elks and all are encouraged to come and participate.

IF YOU PURCHASED ROTARY RAFFLE TICKETS, PLEASE RETURN THE COMPLETED TICKETS TO MARK MIRANDA!

UPCOMING CLUB PROJECTS

We will be collecting donations for the HELP Program again this year of coats as well as sleeping bags or money to purchase these items as a dual project. The sleeping bags will be donated to the children attending the sleepover at the Oregon Coast Aquarium in the upcoming months. A sign-up sheet will be being circulated in the upcoming weeks.

If you have questions about this project or have other service project ideas, please contact Julie Hanrahan.

Five Avenues of Service

1. "Club Service" involves focusing on strengthening fellowship and ensuring the smooth functioning of Rotary clubs. Learn about effective club service in Membership and Training.
2. "Vocational Service" involves club members serving others through their professions and aspiring to high ethical standards. Rotarians, as business leaders, share skills and expertise through their vocations, and they inspire others in the process.
3. "Community Service" is the opportunity Rotary clubs have to implement club projects and activities that improve life in the local community.
4. "International Service" encompasses efforts to expand Rotary's humanitarian reach around the world and to promote world understanding and peace. It includes everything from contributing to PolioPlus to helping Rotary Youth Exchange students adjust to their host countries.
5. "Youth Committee" is the Avenue that recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.
