5. [Contact Freddy Saxton about attending the Rotary Interact Club meetings held Fridays at noon \(only 25 minutes!\) at the high school.](#)

February Students of the Month

McKenzie Figuracion with President Ted Smith (and Fox Avery)

We had the pleasure of hearing from February's student of the month, McKenzie Tizon Figuracion, at last week's meeting. McKenzie was thankful for her parents, Lucy and Kent Gibson, for their love and support. As a result of enduring years of unkind treatment for her uniqueness, she shared with us her passions for making the world a better place in the future which she started by her involvement in the Gay Straight Alliance, PFLAG and lunch jam activities through the high school. She shared her appreciation to Principal Jon Zagel for his willingness to cooperate with and listen to the members of the GSA to establish the first gender neutral bathroom at the high school. McKenzie maintains a 3.75 GPA in her studies IB 20th Century World, Concert Band, IB Math SL, IB Biology HL, Constitutional Law, Contemporary Social Issues, Spanish 2 and IB Senior English HL. She says she also takes advantage of every musical opportunity at school including the jazz band. McKenzie's other achievements include being a Loyalty Days Princess, being on honor roll, receiving an academic letter, band letter, being the Reserve Grand Champion (obedience) at Oregon State Fair Dog Show and Reserve High Point overall at Lincoln County Dog show, as well as her achievement of 3rd place (Black belt division) at Aim High Tournaments in martial arts. In her very little spare time, she enjoys writing, reading and knitting. The further her positive work in the world, plans to obtain her bachelor's degree in psychology with a minor in queer studies with a master in counseling at Portland State.

Fox Avery was unfortunately tied up with IB testing, so we have not heard his speech. However, what we do know about Fox is that he is the son of Dan Avery and Tara Sta...

However, what we do know about Fox is that he is the son of Dan Avery and Tara Sky. He maintains a 3.65 GPA in his studies in IB History of the 21st Century, IB Environmental Studies, IB Math SL, IB Biology HL, IB Spanish SL and IB English HL. In addition to being a great student, he has been awarded an athletic Letter in cross country and track, academic letter and been named to honor roll. Fox is also involved interested in riding motorcycles and working at the Yaquina Head Outstanding Natural Area for BLM and has given his time to the community by volunteering with Oregon Department of Fish and Wildlife and Beach Clean Up. After traveling to Vietnam this summer, he will attend OSU to begin his goal of obtaining a degree in Bio-engineering degree. After which he plans to attend medical school to prepare him for his ultimate goal of building and designing mechanical instruments for medical purposes.
