The Cub Way

Jon Zagel- Fellow Rotarian and Principal of Newport High School

Members attending last week's meeting were given a special glimpse into the life of Jon Zagel and shed a bit of light on how he came to be the outstanding and kind man that many of us know him to be. He shared with us the acronym EPDOB which stands for Every Person Deserves Our Best. This author observed with a bit of amusement that he somehow seemed to think that he came up with that in recent times and was something new he was holding himself and others to. The amusement came because this author has long observed him giving his best to our children on a daily basis for years. It is also apparent each time he stands before our group and glows with honor and pride as he introduces his students or talks about their achievements. Fortunately, he was presenting to us a program he will be sharing to others in the near future. We can all feel better knowing that if "Mr. Zagel" can transfer any amount of passion and pride he has for his students to other faculty and staff in our schools or in other districts as a result of this wonderful presentation, all students will benefit greatly.
